Top Business Leader, George C. McFarland, Selected to Participate in the Leadership Maryland Class of 2008!

Silver Spring, MD – January 29, 2008. Each year, fifty accomplished leaders from around the State of Maryland are selected by a group of their peers to participate in Leadership Maryland. These leaders are selected based on their leadership abilities, career accomplishments, volunteer activities and their personal concern and commitment to help shape the future of Maryland.

We are pleased to announce that GEORGE C. MCFARLAND, President and CEO of McFarland & Associates Inc., and President of the Board of The McFarland Institute, will join the Leadership Maryland Class of 2008! Mr. McFarland holds a Masters Degree in Social Work from Howard University and has nearly 37 years of continuous professional experience in the provision of health, education and social welfare services to multicultural populations. His company, McFarland & Associates Inc., provides program administration and management consulting services, with emphasis on health care, social science research, education, general welfare, criminal justice and information technology, to numerous federal, state and private organizations. Mr. McFarland's substantive expertise in racial, ethnic and health care policy has proven to be extremely valuable in his work with public and private agencies whose primary focus has been working to improve the quality of life of undeserved multicultural populations.

Leadership Maryland creates a statewide network of informed and engaged leaders who are committed to developing workable solutions to the challenges facing the communities and citizens of Maryland. After graduating from the Leadership Maryland program, members stay actively engaged through planned social and educational alumni events throughout the state.
