

United States Conference on AIDS (USCA 2008)

September 18-21, 2008

Fontainebleau Hotel

Miami Beach, FL

The USCA conference is the largest AIDS-related gathering the U.S. and the second largest in the world. USCA brings together thousands of people addressing HIV/AIDS from every front in the fight against HIV/AIDS. During this conference SAMHSA will hold their 2nd annual One SAMHSA meeting. MEI-PCC grantees will have the opportunity to meet with other grantees from all over the country to discuss different methodologies in the prevention of HIV/AIDS.
